DETAILED ACTION

Remark

1. Claim 19 has been previously canceled, and claims 1-18 and 20-21 are pending for reconsideration.

Allowable Subject Matter

2. Claims 1-18 and 20-21 have been allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 20 and 21, the closest prior arts of record issued to Kung and Wong fails to either alone or combine to teach or suggest an apparatus for filtering electronic mail and notifying a user wherein a software program application residing in a set top box connected between a television content provider, an internet provider having an e-mail server, and a television; and the software program application which allows a user to specify e-mail filter criteria and a notification icon which then retains and stores the e-mail filter criteria and the notification icon, and the software program application further includes a querying module contained within the software program application which queries the e-mail server to determine whether any e-mail fulfilling the e-mail server criteria is among a plurality of e-mails for the user that have arrived at the e-mail server together with a notifying module also contained within the software program application; and then the software program application notifies the user by posting the notification icon to the set top box.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
